

MAANVI AGRAWAL

+91-9889008900 Varanasi, India

✉ agrawal.maanvi@gmail.com in [linkedin.com/in/maanvi-agrawal](https://www.linkedin.com/in/maanvi-agrawal)

EDUCATION

Bachelor of Technology (Biotechnology)

Manipal University Jaipur

CGPA: 9.28 | 2023 – 2027

Senior Secondary Education

The Aryan International School

86% | 2023

Secondary Education

The Aryan International School

97.6% | 2021

SKILLS

Technical: Aseptic techniques & GLP, Media preparation, Analytical techniques (spectrophotometry, chromatography), Biochemical assays, Basic fermentation, Autoclave and laminar airflow handling, Bio-process calculations (mass & energy balance).

Research: Experimental design, Basic statistics, Lab documentation, MS Excel, Aspen simulation, Literature review.

Soft Skills: Scientific communication, Teamwork, Problem-solving, Time management.

PROJECTS

Production of Bio-ethanol from Rice Husk (Bioprocessing)

Jan 2025 – May 2025

- Converted rice husk biomass to bio-ethanol through optimized fermentation.

Exfoliation of Graphite to Extract Graphene (Nanomaterials)

July 2025 – Dec 2025

- Extracted graphene via graphite exfoliation and characterized material properties using protein assays.

Prolonged Release of Fragrances (Controlled Release Systems)

Jan 2026 – Present

- Designed and evaluated polymer-based matrices for controlled and sustained fragrance release.

EXPERIENCE

Intern — Cytogenetics and Molecular Biology

20 May 2025 – 20 July 2025

Institute of Medical Sciences (IMS), BHU

- Trained in Karyotyping, DNA/RNA isolation, PCR, and Gel Electrophoresis.
- Performed Nanodrop spectrophotometry, ELISA, Cell Culture, AAS, FISH, Histopathology, TEM, and Flow Cytometry.

ACHIEVEMENTS

- Awarded 100% merit-based scholarship for three consecutive years.
- Featured in the Dean's Merit List for all 6 semesters.
- Served as Student Placement Coordinator, assisting in placement-related activities and student coordination.

EXTRA-CURRICULAR ACTIVITIES

- Served as Senior Curator and Promotions Coordinator for Startup Weekend Jaipur, TEDx MUJ and IEEE.
- Actively participated in science clubs, biotech forums, and student organizations.
